

# shimmer

| 'ʃimə | **verb** shine with a soft, slightly wavering light:  
*her skin shimmered in the sunlight*

**Young or Young at Heart. Make your clients skin shimmer all year long.**

As delicate as the blossom of the flower, Jax Wax Australia's Australian Wattle Wax and Lotion range is ideal for all skin types including fragile, menopausal and mature skin.

Beautifully scented with magnolia and honeysuckle fragrances the Australian Wattle Wax and Lotion range feature a mesmerising shimmer that captures everyone's attention. The waxes have been formulated for all climates including tropical to polar regions. The lotions will leave your clients skin with that summer glow making it the perfect choice for every salon.
